

COMPANY PROFILE

Global Express International (Division Of Khalidah Trading Est) is an International Freight Forwarding company based in Jeddah, Saudi Arabia.

Although a young medium size firm founded in 2003 by highly experienced and motivated staff in the Freight Forwarding and Logistics Industry, within a short span of time have achieved a growth well marked, committed to international standards and striving further to broaden and expand its operations and services.

We are a pragmatic logistics provider and proud to mention that in a short time

have climbed the ladder by virtue of rendering services and winning over prestigious clientele. Our wide range of experience and young dynamic team have helped us in achieving the targets and aiming to render efficient and professional service to the clients.

OUR CORE VALUES

THE THING THAT MAKES US DIFFERENT

Always learning

Time and again, we've adapted to make the most of the opportunities that come our way. In each element of our business, we strive to be always learning.

Latest Technology

At Global Express International, we believe in investing in the most up to date technology. We use the latest technology to give you the best experience possible.

Safety & Quality

We measure the quality of our services by how well we meet your expectations and the highest national standards of safety and effectiveness.

Care for Environment

We set high standards for ourselves in the area of environmental care by striving for performance that not only complies with regulations but also reduces our environmental impacts.

Our Services

MORE THAN JUST LOGISTICS

Despite our international focus, we're a compact logistics organization. Our extensive network means we can serve you no matter where you are in the world. Therein lies our strength.

AIR FREIGHT

Time is of essence. Thus Air freight constitutes one of the key products offered by our company. We provide a comprehensive range of import and export airfreight services, catering for all the specific requirements for the various types of goods. Thanks to our extensive global network of partner agents, we are in a position to offer the most economical transport solutions, combined with fast and efficient communication.

We provide a complete package of air logistics services, including:

- **Airfreight forwarding.**
- **Door to Door delivery.**
- **Express delivery.**
- **Hazardous and perishable product handling.**

SEA FREIGHT

Our sea freight service stands for reliability, flexibility and transparency. Our team of sea freight specialists simplifies the options and savings we can offer you.

We maintain excellent relationships with shipping lines thus having the ability to provide customer with comprehensive services that control costs and modernize the shipping process. For us no cargo is big or small and every size is valuable. We offer a complete range of ocean freight services for various types of cargo.

The services offer:

- **LCL (Less than Container Load): imports and exports**
- **FCL (Full Container Load): imports and exports**
- **Warehousing and distribution.**
- **Break bulk and RO-RO operations.**

INLAND TRANSPORT

We have dedicated transport facilities to move cargo within Kingdom of Saudi Arabia. We provide safe, efficient, customer specific, economical, sustainable and environmentally friendly land transport.

We offer:

- **Transportation of heavy and odd dimensional cargo to any destination within Saudi Arabia.**
- **Project cargo movement from inception to erection and commission.**
- **Delivery to consignee destination of import cargo after custom clearance from aircargo and seaport.**
- **Pickup of Export Cargo from shipper warehouse to nearest port.**
- **Container transportation trailers for all inland destinations.**
